GAYNOR ELECTED

RE-ELECT GOVERNOR BY A REDUCED MAJORITY.

USUAL REPUBLICAN MAJORITIES GIVEN CANDIDATES FOR OF-FICE IN PENNSYLVANIA.

Reform Candidates Win in Two Ohio Cities-Elections Held in Many States and Cities Throughout the United States.

Cleveland, O., Nov. 3.-Elections were held November 2 in many states and cities throughout the country, with varying results, there being no national issue involved to bring about concerted party action

In Massachusetts the returns Indicate that Gov. Eben Draper, Republican, had been re-elected over James H. Vahey, Democrat, by a greatly reduced majority, estimated at 10,000, In Rhode Island, Gov. Pothier, Republican, was re-elected over Olney

In New York City, which has been the storm center of the state, Tammany Hall scored a decisive triumph in the mayoralty election, Judge William A. Gaynor, the Democratic nomtnee supported by Tammany, rolling up a plurality of upward of 70,000 over Otto T. Bannard, Republican, who in turn led William R. Hearst by approximately 25,000.

William J. Gaynor, who now beomes mayor of Greater New York, was elected on the strength of his personal record as a jurist and his stand for personal liberty and a liberal Sun-Although the Tammany candidate, he maintained throughout the campaign that no boss shall dictate to him, and one of his favorite remarks was that if there was to be any swallowing between him and the tiger he would ultimately be found on the outside.' Gaynor was prominently men-tioned as a Democratic vice presidential possibility last year and in 1894 he declined the Democratic nomination for governor of New York. He has been a near candidate for mayor of New York for years, but, as he expressed himself to friends, he wanted to be sure of election-to be elected mayor and then governor, with a view to becoming some day president of the United States. Backed by Tammany in the campaign just ended, Gaynor eas bitterly assailed by pulpit and bar, not to mention the bitter attacks of Hearst, who repudiated him after paving agreed to support him, and the eas personal attacks of Bannard. His mies sought to show that in his ca pacity as justice of the supreme court e had tried to defeat the purpose of he anti-betting legislation in this state, but the candidate, while denyng the charges briefly, declined to answer at length what he branded as

in Philadelphia, another battle round on reform issues, Samuel P. totan (Rep.) was elected district atorney over D. Clarence Gibboney, repesenting the Law and Order society nd the reform element. Rotan's maority exceeded that in a previous reorm campaign, being estimated at upard of 30,000. Meager returns from San Francisco

dicate the defeat of Francis J. eney and the election of McCarthy, e union labor candidate, for mayor. The Pennsylvania state elections or treasurer, auditor, general and stice of the supreme court resulted the usual Republican majority, in Indianapolis, where the temper nce issue has figured, Lewis Shank Rep.) is elected over Charles A. auss (Dem.)

Elections in New Jersey went al ost equalfy both ways. Interest prin-Ipally hinged upon the battle for the payoralty of Jersey City, where agan, the new idea Republican chamion, was probably beaten by Otto Wittpen, the Democratic incumbent.

Slow returns from Baltimore indiate that the constitutional amendment aimed to disfranchise the negro has been deefated by more than 20, The foreign born element in Baltimore city voted strong against the amendment, fearing it would imperil their franchise as well as that of the negro. The legislature appears to be safely Democratic, insuring the reelection of Isadore Rayner as United States senator.

Local elections in Kentucky, as had been promised by the warlike moves of the rival factions, was marked for bloodshed and in Breahitt county, the seat of the feudists, one man was shot and killed at a polling place. The "drys" of Illinois won another

victory. Of 33 precincts in which local option was before the voters the antiliquor advocates carried 28, an in-Screase of four precincts over two Reform Candidates Win in Two Ohio

ter campaign by a plurality of close to 4,000. The entire Republican ticket was elected with the possible exception of C. H. Smith for treasurer, who was openly fought by the organization headed by Malcolm Karshner, mem-ber of the Republican state committee from Franklin county. The Republicans will control the new city council by a decisive majority.

The hand of Cox appears to have lost little of its grip on the city on the Ohio river, for the ballots so far counted there indicate that Dr. Louis Schwab (Rep.) has been chosen mayor. In voting thus the people of that city refused to accept the services of John Weld Peck, the young lawyer running on the Democratic TOM L. JOHNSON DEFEATED ticket, whose campaign was made strictly one of reform. His attack was always against the Cox machine, and with the organization they had this year the Democrats of the city had some hope of defeating the boss who so long has dictated affairs to the voters of all parties.

In Youngstown Democratic Mayor Craver is elected by a reduced plurality over Paul Jones, the former Michigan football player and Reserve coach. Mayor Turnbull of Canton has been carried back into office by the Democrats by a large plurality. Dougherty, his opponent, conceded Turnbull's election.

Akron, O .- The early election returns indicate the re-election of Mayor W. T. Sawyer (Dem.) by 2,000. The first ten precincts showed an average gain of 20 to a precinct for him over two years ago, when City Solicitor C. F. Berry, his opponent, was defeated by 1.045.

Dayton, O .- The Democrats scored a sweeping victory here, electing Mayor E. E. Burkhart and the entire tick et with the possible exception of the clerk of the police court. The Democrats claim a plurality of 5,000 for Burkhart, and the election of the city council and municipal ticket.

Toledo, O.-Brand Whitlock is re elected mayor of Toledo for a third term. Early returns from the down town precipcts, where his adversary, David T. Davies, was expected to be strongest, showed such slight gains that all hope of overcoming Whitlock's plurality of 6,500 in 1907 was abandoned and both Republican organs acknowledged the election of Whitlock, but claim the rest of the ticket. Whitlock probably will have

over 4,000 plurality. Cleveland, O .- Herman C. Baehr was elected mayor of Cleveland. A plurality of at least 5,000, growing with the later returns, seems to have swept every Republican candidate in with Baehr. Newton D. Baker gave his opponent the hardest fight of all,

and has probably been elected over Dahl for city solicitor. The city council will be overwhelmingly Republican, with 25 members of that party and seven Democrats for members. Democratic and real estate board candidates for real estate appraisers simply ran away from their opponents.

FIVE PERISH IN COTTAGE FIRE

Mother is Burned With Her Four Children She Tried to Save-Die Clinging to Her Dress.

Pittsburg, Nov. 3 .- Mother love led Mrs. Frances Marlow, wife of William Marlow, a miner, to her death with four of her children in a fire that destroyed their home in Penn township. Lysle Marlow, 8, was saved by his brother, Clyde, 12, who perished with ular. It is reported that one Nicarahis mother.

Marlow and two elder sons had gone to work. A lamp in the kitchen was overturned. Clyde rushed his younger brother from the house and hurried with his mother to the upper floor, where the younger children were sleeping. Before the mother could waken the children and escape the fire had eaten away the supports of the floor and it collapsed. The position of the bodies when found indicated that the younger children had clung to mother's dress to the last.

Goshen, Ind., Nov. 3.-George Baker, corresponding secretary to Gov. Marshall, committed suicide in the Hotel Warsaw by pulling the bedclothing over his head and inhaling the fumes from a two-ounce bottle of chloroform. The man was to have been wedded soon to Miss Helen Funk, her friends assert, but the engagement was declared off because Baker drank. Baker was 27 years old and was

A. Jackson, His Tavern. The old Whitney Tavern in Shelby ville, Tenn., erected in 1810, is still in a good state of preservation. It is built of cedar logs, which are chinked and pointed between, and with the exception of the renewing of the weather boarding and shingles it has undergene no change. The large stone chimneys, with their board fireplaces, are still in as perfect condition as when Gen. Jackson and other noted personages were entertained there.— Columbus, O., Journal.

REBELS ARE DEFEATED

REVOLUTIONISTS IN NICARAGUA TWICE DRIVEN BACK.

President Zelaya's Advancing Army Win Two Victories and Are Now Pursuing the Insurgents.

Washington, Nov. 3 .- Two victories were claimed over the revolutionary troops by President Zelaya of Nicaragua in dispatches sent on November 2 to Senor Rodriguez, charge d'affaires of the Nicaraguan legation in this city. The first cablegram said that the revolutionary troops abandoned Guapinol, on the Rama river, upon the approach of the regular forces. It was stated in the second dispatch that the revolutionary following had been defeated at the mouth of the San Carlos river and that the government troops had start-

ed on a march to San Juan del Norte. The first authentic information that any of the Central American states had openly taken sides in the revolutionary movement in Nicaragua reached the state department November 2. It seems to indicate that Honduras has espoused the cause of the Zelaya government.

In a telegram just received it is said that the representatives of the Laguna de Perlas Fruit Co., an American conat Tegucigalpa, Honduras, that the government of Honduras has detained a gasoline launch, the property of the company-which flew the Nicaraguan flag-which left Bluefields for Livings ton after the revolution had started for Puerto Cortez for fuel. Apparent ly, the dispatch says, the government of Honduras has acted upon the ground that the launch belonged to the Nicaraguan revolutionists. The ship's papers were reported to be regguan revolutionist was a passenger. There is an impression that the government of Honduras is very favorable to Zelaya and there are rumors that men, arms and money are being sent from Honduras to his assistance.

STEALS SILK FOR MOURNING

Young Woman Taken for Shoplifting Says She Needed Black for Funeral.

Cincinnati, Nov. 3 .- "I took the black silk in order to get goods to go into mourning. My father lies dead at home. I had no black clothing and came to this side of the river and took the silk to get a black dress."

This was the explanation of a young woman arrested in a large department store by detectives on the charge of shoplifting. She gave the name of Mamie Schmidz of Covington. She was caught by a clerk after, it is alleged, she had tried to go away with two pieces of silk. The Covington police found that a man of the same name as the girl's was dead at the address given by her.

ber of tiny ruffles being put on the petticoat hem to provide a substantial foundation for the overskirt, which is perfectly plain at the bottom. At the waist the skirt is made either plaited or shirred, so that one has a choice of whichever is more becoming to the figure. A folded girdle of satin & carried higher at the left, fastening with tiny rosettes. The sleeves are little short puffs shirred in close to the arm.
